FIXOPOLIS

INFO3315 · USER TESTING VERSION

Usability test

A clickable prototype of the Fixopolis app. Every button on every screen responds, so participants can explore and make mistakes as they would in the real app.

FOR THE FACILITATOR

- Open in Adobe Acrobat or the Chrome/Edge PDF viewer, showing one page at a time.
- Press Start test and hand over. The current task is shown at the top of every page.
- When a task is finished, a progress page appears. Continue picks up from the same screen for the next task.
- RESTART at the top right of any page returns here.

TASKS

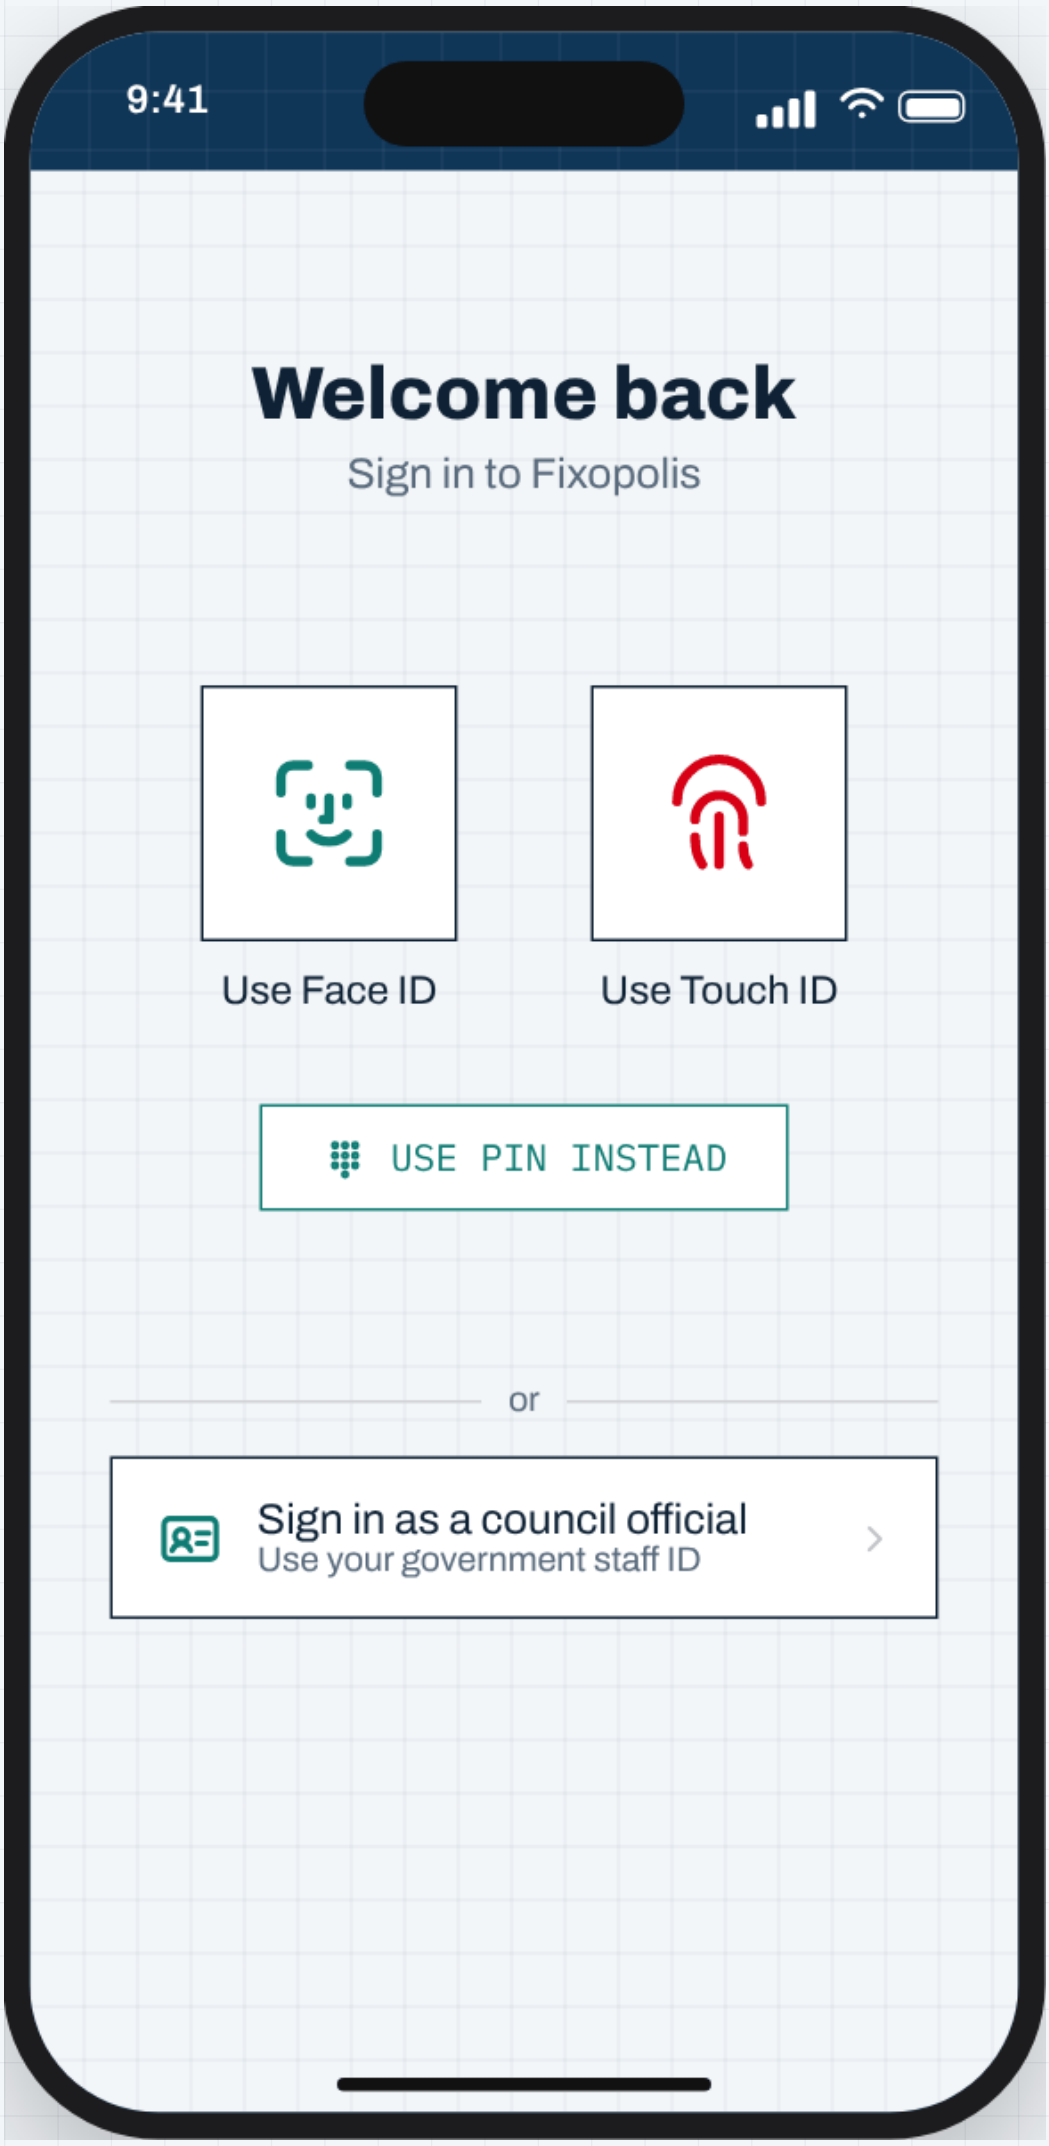

T1	**You have noticed a pothole on the road outside your home. Report it to the council.**	YOUR TASK
T2	A few weeks ago you reported a broken footpath on Hill St. Find out what is happening with it.	TO DO
T3	A neighbour has already reported a broken streetlight on Wattle St. It affects you too. Show your support for their report.	TO DO
